

This home may have been altered from the plan's original design.

Traditional elevation with covered porch provides mass appeal

904 sq. ft. on main level, 796 sq. ft. upstairs

U-stairs and French doors highlight entry

Large cased openings define formal dining room and great room without restricting space

Bayed kitchen and breakfast area have functional access to utility area and side yard

Secondary bedrooms share generous compartmented bath with dual lavs

His and her walk-in closets, 9-foot-high boxed ceiling and whirlpool bath create stately master suite
