

This home may have been altered from the plan's original design.

**Quaint covered porch** suggests comfortable living in this two-story design

**845 sq. ft. on main level, 883 sq. ft. upstairs**

**Staircase** with nostalgic wood railing offers dramatic view of great room

**Double doors** invite you into master bedroom with high 10-foot ceiling

**Master bath** with dual lavs, whirlpool and shower adjoins large closet

**Great room** features raised hearth fireplace, sloped ceiling and transom windows that allow more natural light

**Wrap-around kitchen** with peninsula snack bar is located between formal dining room and family dinette
