

This home may have been altered from the plan's original design.

Covered front porch and three seasons rear porch brings the inside out
603 sq. ft. on main level, 694 sq. ft. upstairs + 354 sq. ft. unfinished storage

Wrapping counters and a pantry add convenience in the kitchen

Secondary bedrooms include built-in desks and share a full bath

The living room is bright and sunny, with a large front double-window and two more windows flanking the fireplace

A dining area adjoins the kitchen and offers access to a huge 3-season porch, making this a great area for family meals or entertaining

An angled ceiling highlights a lovely, arched window in the master bedroom, which is served by a walk-in closet and a private, sunlit bath
