

This home may have been altered from the plan's original design.

With its attractive elevation and wise use of space, this home is the epitome of style and efficiency
Well thought-out design offers amenities typically offered only in larger plans
Sloped ceiling, and fireplace flanked by large windows expands the great room

Kitchen is exceptionally well planned featuring large pantry, 2 lazy Susans and snack bar serving the dinette
Strategically located TV cabinet/entertainment center with lazy Susan affords viewing from great room, dinette or kitchen
Master suite features large walk-in closet and deluxe bath area with dual lavs and glass panel separating shower and whirlpool
